

Dance Academy Program

Pottstown Dance Theatre offers a very successful and unique day program designed for both the serious dance student and the recreational dance student.

Our *Dance Academy Program* is open to dancers in grades 4 through 12 and meets every Monday and Thursday from 2:30 to 5:00 at the Pottstown studio. Students will participate in intensive dance instruction from international dance instructor and choreographer, Michelle Jones Wurtz, and world-renown ballet instructor and former Kirov principal dancer, Andrei Ustinov. Students will also study dance related curriculum such as dance notation, anatomy, nutrition, and dance history. Our day program gives our dancers more time for their academic studies as well as their dance studies.

Pottstown Dance Theatre will provide curriculum related materials while studying the various aspects of dance education. Students will also gain access to lockers in the dressing rooms; please remember lockers are the property of the studio and should be treated appropriately. Any student registered in the *Dance Academy Program* will be allowed to participate in evening classes at the Pottstown studio at no extra cost. Evening class registration forms must be submitted, along with your *Dance Academy Program* paperwork and initial tuition payment no later than August 20, 2008.
